2020
Choose your path
University education is a solid investment and path to prosperity – even in the face of economic uncertainty, the demand for university — educated employees is growing. The Directory is your starting point for discovering 96 Canadian universities and the wealth of study programs available to students!

Stay informed
The Directory is published annually by Universities Canada, the voice of Canada’s universities. The Directory is updated by working directly with each university, so students, parents and counselors get the most reliable information to help with decision making to find the right university.

Save time
Find an easy-to-use index of over 15,000 academic programs offered and credentials granted at Canadian universities in a single, authoritative guide.
